Conference

Access live or on-demand conference content. Engage with the speakers, voice your queries in Q&A sessions for 24hrs, participate in specialized workshops polls and surveys.

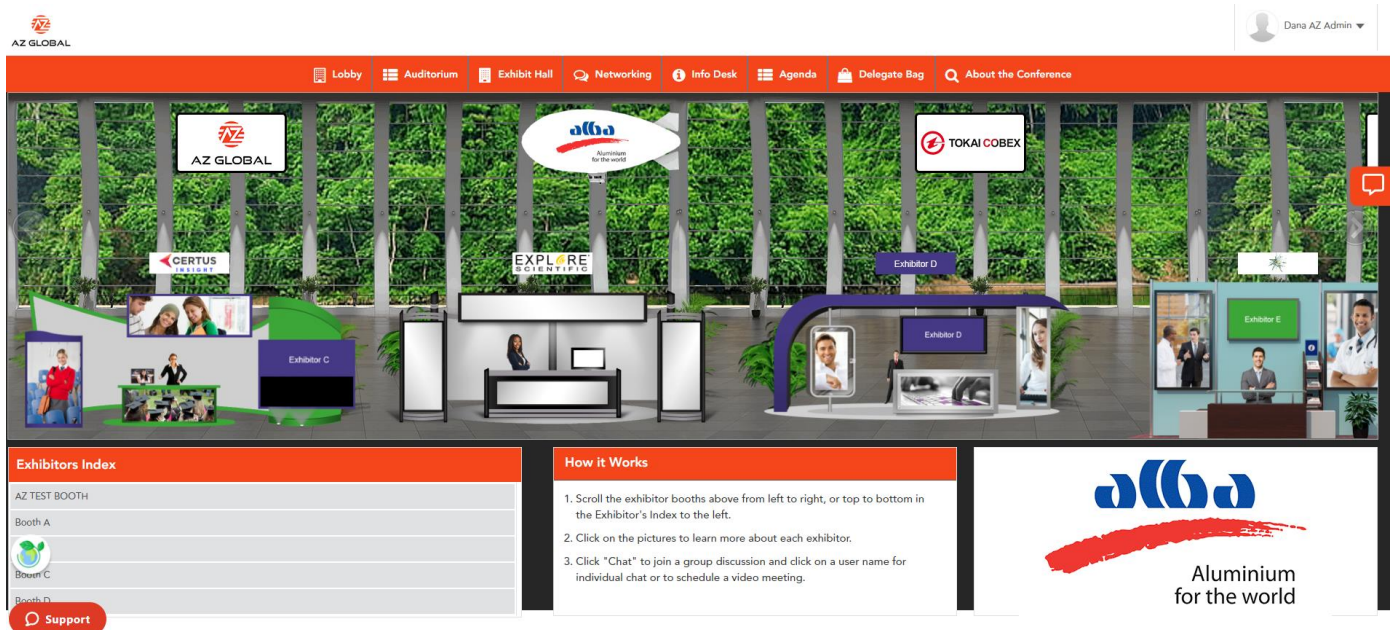

- **Attend** the conference live sessions and insightful panel discussions by our panelists.
- **Polls and Live Contests:** this will be run by the moderator or the speaker during the session to engage with the participants. It is public and seen by all attendees.
- **Q&A:** this button allows you to send your questions for any specific session 24 hours prior to the conference. Anytime throughout the session and during the conference. You can even use the checkbox to ask your question anonymously.
- **Anonymity:** Questions can be voiced anonymously if you wish to do so. You just need to select that option.
- **Agenda:** you can save any session and link it to your calendar (outlook, google or other) to notify you when it is on.

Exhibition

Engage with the exhibitors via chat or video call. Exchange your business card, download corporate brochures and videos into your virtual briefcase which you can download or email to yourself.

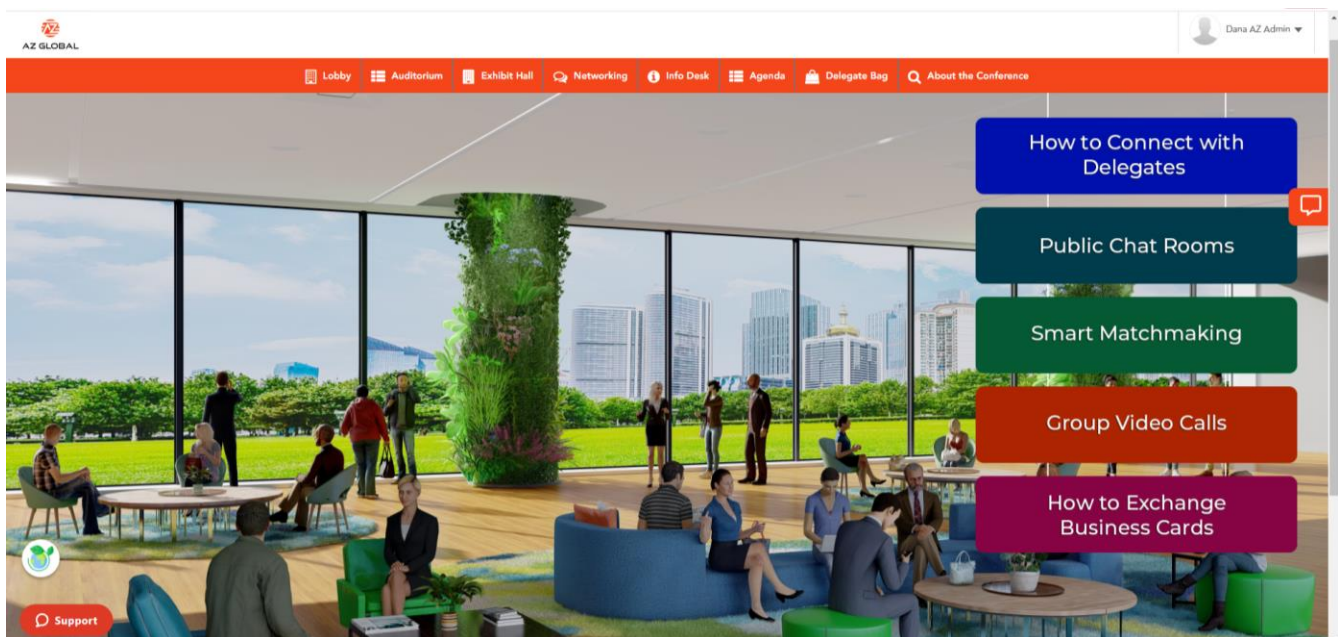

- **Scroll and click on one Booth:** you can view the exhibitor catalogues and videos.
- **Video Meet:** you can video call privately with the representatives at that booth.
- **Text Chats:** you can chat privately with the representatives at that booth.
- **Booth Public Chat Room:** this is a public forum for that particular booth which can be seen by all.

Networking Lounge

View and filter the list of registered attendees (by name, company, country, industry or interest) and invite delegates for one-to-one chats, video calls, private meetings, or public announcements. The platform's smart networking feature will also help you locate attendees, matching your pre-defined interests, join or start group chats and group video calls...etc.

- Smart Matchmaking: you will have a list of questions to answer for the algorithm of the platform to help you match with likeminded professionals.
